

**Special Note for Camps & Daycares
Regarding Big Splash Fountain
From the City of Suwanee**

There's nothing better than seeing people truly enjoy the parks, interactive fountain, and other amenities that have helped make Suwanee an award-winning community. We're glad that children at your facilities are able to enjoy Big Splash Fountain and Town Center Park.

Because of the popularity of the fountain with daycares, camps, and kids from all over, we request your assistance with crowd control. By following the guidelines listed below, the City believes that crowds at Big Splash can be better managed, enhancing the enjoyment and safety of all. With your cooperation, we hope that it will not become necessary to enforce strict rules for the fountain's use.

- Visit Big Splash as a group once every other week.
- Limit visits to two hours
- Park your bus or vehicle along the sides of or behind City Hall.
- Please clean up after your group. Trash cans are located throughout Town Center Park.
- Consider patronizing area businesses for lunch, a snack, or other needed materials. Several restaurants - in Town Center and throughout the City of Suwanee - would be happy to provide boxed lunches. You can find a list of all City restaurants on the About Suwanee/Restaurants page at www.suwanee.com.
- Please follow the standard Big Splash rules, which restrict pool toys, pets, food, and rocks. A complete list of Big Splash and Town Center Park rules can be found on the City & Other Services/Parks page at www.suwanee.com.
- Be aware that occasionally Big Splash is down for maintenance - both planned and unplanned. When possible, the City tries to post notice of maintenance at www.suwanee.com.

Thank you for your cooperation! Splash away!!
